

Unit 1 Lesson 4 Body Language

Choose a word from the word bank or use one of your own to describe the body language or facial expression of the people. Write the word below the picture. You can use words more than one time and there are many different answers!

confused
tired
friendly
puzzled

empathetic
sad
uncooperative
embarrassed

angry
afraid
happy
thinking

Questions for discussion:

What expression or gesture told you what the person was feeling?

Did everyone choose the same words? Why or why not?
