

Unit 5 Lesson 1 Reading a Dial

Draw an arrow on each dial to point to the indicated systolic and diastolic reading. Use a different color for each reading or label the arrows to show which is systolic and diastolic.

Systolic: 120 Diastolic: 80

Systolic: 140 Diastolic: 110

Systolic: 116 Diastolic: 78

Systolic: 108 Diastolic: 84
